Personal Project

Lead Designer & Product Strategist METYS – Tech-for-Good Digital Economy Application	2026
--	------

Highlights:

- Brand Identity & UI/UX Design:** Engineered the comprehensive visual identity and application design for "METYS," a human-centered digital platform focused on empowering gig-economy workers and safeguarding labor rights.
- Symbolic Iconography & Positioning:** Developed a minimalist, high-trust logo mark integrating navigation and growth symbolism (abstract compass/upward motion) using a targeted palette of deep indigo and soft teal.
- Design Systems & Adaptability:** Built adaptable brand assets and component guidelines across multi-platform layouts, dark/light themes, and app icon variations to maximize accessibility for non-technical users.

Leadership Experience

Vice Head of Organizing Committee Luminith Project	x 202x
--	--------

- Operations & Strategic Planning:** Direct-managed event execution, master schedules, and cross-functional task delegation across core departments, ensuring seamless event workflow and operational efficiency.
- Team Governance & Resource Allocation:** Supervised budget execution, vendor negotiations, and emergency risk protocols while leading 30+ team members to execute high-engagement youth activities.
